Insulin Pen Needles

Free and unlimited insulin pen needles

Available Sizes

- 4mm / 32g
- 5mm / 31g
- 6mm / 31g
- 8mm / 31g

Compatible with most insulin pens

Premium Features

- **Triple-bevel cannula** - optimal perforation and easy penetration. So sharp you won't feel a thing!
- **Silicone lubricant coating** - coated for a smooth, painless experience. Comfort unmatched by any other.
- **Thin wall technology** - better insulin flow and less injection pain. Less pressure required for injection and reduced risk of insulin leakage.
